

July 2026

Atsushi Miura
Curriculum Vitae

E-mail: a.miura[at]asagi.waseda.jp

ORCID iD: <https://orcid.org/0000-0002-4167-1586>

EDUCATION

- 2023 – Present** **Ph.D.** student (D4). Waseda University, Tokyo, Japan
Supervisors: Dr. Shiro Ojima, Dr. Hiromu Sakai.
- 2018 – 2020** **M. A.** (Second Language Acquisition), Kanagawa University, Kanagawa, Japan
Thesis title: *Validating the Intervention Effect in L2 English Acquisition: Perspectives from On-line and Off-line Experiments*
Supervisor: Dr. Maki Yamane
Committee: Prof. Kazuyuki Takahashi, Prof. Masashi Kubono
- 2014 – 2018** **B. A.** (Teaching English as a Foreign Language), Kanagawa University, Kanagawa, Japan
Thesis title: *Reconsidering Language-use Activities and Their Evaluation Based on the New Course of Study Revised by MEXT: Aiming for the Classes That Motivate High School Students to use English*
Supervisor: Prof. Kazuyuki Takahashi

PROFESSIONAL EXPERIENCES

Part-time lecturer

- April, 2021—Present, Kanagawa University.
 - Instructed beginner and intermediate English language courses for freshman and sophomore students.
- April, 2020—March, 2021, Ohtsuki City College
 - Instructed beginner and intermediate English language courses for college students

Research Assistant

- September, 2023 -Present, Waseda University, School of Creative Science and Engineering. (Dr. Shiro Ojima)
- September, 2024-Present, Waseda University, School of Creative Science and Engineering. (Dr. Hiromu Sakai)
- September, 2024-Present, Waseda University, School of International Liberal Studies. (Dr. Yuichi Suzuki)

- July, 2024-August, 2024, Waseda University, School of Creative Science and Engineering. (Dr. Kristopher McEown)
- April, 2020-August, 2024, Kanagawa University, Faculty of Cross-Cultural and Japanese Studies. (Dr. Yuichi Suzuki)
- April, 2020— March, 2023, Yokohama National University, Faculty of Education and Human Sciences. (Dr. Shiro Ojima)
- July, 2018 –March, 2020, Kanagawa University, Faculty of Foreign languages (Dr. Yuichi Suzuki)
- August, 2018 – September, 2018, Kanagawa University, Faculty of Foreign Languages. (Dr. Keita Kikuchi)

Teaching Assistant

- English for Academic Purpose, Waseda University
- Phonetics, Kanagawa University
- Educational Technology, Kanagawa University
- English Instruction, Kanagawa University
- Teaching methodology (English), Kanagawa University
- Intensive English Course, Tokyo Gakugei University

Certifications

- Junior High School Teacher Certificate (English), 1st grade, Japan
- Senior High School Teacher Certificate (English), 1st grade, Japan
- Junior High School Teacher Certificate (English), specialized certificate, Japan
- Senior High School Teacher Certificate (English), specialized certificate, Japan

PUBLICATION

- **Miura, A.**, Mizuochi-Endo, T., & Ojima, S. (2026). Effects of extensive L2 exposure on L1 and L2 lexical processing in Japanese children: An EPR study. *IEICE Technical Report*.
- Huang, Y., **Miura, A.**, Snedeker, J., & Ojima, S. (2026). Predictive processing in Japanese learners of L2 English: An EPR investigation. *IEICE Technical Report*.
- Tanifuji, M., Park, J., **Miura, A.**, Nishimoto, S., & Sakai, H. (2026). Linguistic function of Broca's area revealed by working memory activity recorded by MEG. (ブローカ野の言語機能を MEG によるワーキングメモリの計測から探る). *IEICE Technical Report*.
- **Miura, A.**, Shibata, N., & Ojima, S. (2024). Impacts of extensive English exposure on

- Japanese children: Language skills and brain function. In S. Kong (Ed.), *Current issues in L2 teaching and research* (pp. 77-115). Crain Publishing. [Refereed]
- **Miura, A.** (2024). Sensitivity to silently structured interveners: Sluicing interpretation in L2 learners. In, A. Dahl, M. Velnić, & K. F. Listhaug, (Eds.), *Current perspectives on generative SLA – Processing, influence, and interface: Selected proceedings of the 15th Generative Approaches to Second Language Acquisition conference* (pp. 223-240), John Benjamins. [Refereed] <https://doi.org/10.1075/lald.70.09miu>
 - **Miura, A., & Komatsu, M.** (2023). A closer look at the different rhythm metrics in L2 English: Inter- and intra-speaker variability and individual difference. --*Kanagawa University Gengo Kenkyu [神奈川大学言語研究]*, 45, 107-120. [Refereed]
 - **Miura, A., & Nagamine, T.** (2022). Using synchronous computer-mediated communication to develop L2 learners' oral fluency. In J. Levis & A. Guskaroska (eds.), *Proceedings of the 12th Pronunciation in Second Language Learning and Teaching Conference*, held June 2021 virtually at Brock University, St. Catharines, ON. <https://doi.org/10.31274/psllt.13347> [Refereed]
 - **Miura, A.** (2022). Adopting synchronous computer-mediated communication (SCMC) into second language classrooms. *Proceedings of the 2nd International Conference on Education and Technology (ICETECH)*. <https://doi.org/10.2991/assehr.k.220103.049> [Refereed]
 - **Miura, A.** (2021). How fast should an examinee read while taking the EIKEN? An analysis of the EIKEN level 2 tests from 2016 to 2020. “どのくらい早く読まなければならぬのか？ 2016 年度から 2020 年度の「英検」の分析から.” *The collection of theses by Otsuki City College. [大月短大論集]* .

PRESENTATION

- Doi, A., Sekiguchi, S., & **Miura, A.** (October 2026). AI-based feedback vs. model text feedback in L2 writing: Effects on writing quality and learners' affective factors. Paper presented at Symposium on Second Language Writing (SSLW). [Refereed]
- Ohba, T., **Miura, A.**, & Tanaka, M. (October 2026). Effects of FFI timing on explicit knowledge and oral production in English past counterfactuals. Paper presented at Second Language Research Forum 2026. [Refereed]
- **Miura, A.** & Ojima, S. (October 2026). L2 lexical learning trajectories under spoken and written input: Behavioral and N400 measures. Poster presented at Second Language Research Forum 2026. [Refereed]
- Hamada, I., **Miura, A.**, Tanifuji, M., Kubota, Y., & Sakai, H. (September 2026). ECoG reveals dynamics of cortical connectivity and semantic representations during speech

preparation. Poster presented at Society for the Neurobiology of Language the 18th annual meeting. [Refereed]

- Tanifuji, M., Park, J., **Miura, A.**, Nishimoto, S., & Sakai, H. (September 2026). MEG recordings during delayed picture naming tasks revealed working memory activity specific to language production. Poster presented at Society for the Neurobiology of Language the 18th annual meeting. [Refereed]
- **Miura, A.** (September 2026). Modality effects in L2 lexical learning: Modulation by conceptual novelty across learning trajectories. Paper presented at the 27th annual international conference of the Japanese Society for Language Sciences (JSLS 2026). [Referred]
- Tanifuji, M., Park, J., **Miura, A.**, Itsuski, H., Nishimoto, S., & Sakai, H. (August 2026). Isolating language-related working memory in the prefrontal cortex with delayed picture naming and EMG. Poster presented at BIOMAG 2026. [Refereed]
- Tanifuji, M., Park, J., **Miura, A.**, Hamada, I., Nishimoto, S., & Sakai, H. (June 2026) Linguistic function of Broca's area revealed by working memory activity recorded by MEG. Paper presented at TL/MAPPL.
- Huang, Y., **Miura, A.**, Snedeker, J., & Ojima, S. (June 2026). Predictive Processing in Japanese Learners of L2 English: An ERP Investigation. Paper presented at TL/MAPPL.
- **Miura, A.**, Mizuochi-Endo, T., & Ojima, S. (June 2026). Effects of Extensive L2 Exposure on L1 and L2 Lexical Processing in Japanese Children: An ERP study. Paper presented at TL/MAPPL.
- Tanifuji, M., Park, J., **Miura, A.**, Hamada, I., Nishimoto, S., & Sakai, H. (June 2026). Delayed picture naming tasks for visualizing spatiotemporal patterns of neural activities estimated from MEG recordings. Paper presented at The 42st Annual Meeting of Japan Biomagnetism and Bioelectromagnetics Society. [Refereed]
- **Miura, A.** (April 2026). Tracing the path of lexical learning: How input modality shapes pseudoword knowledge. Poster presented at American Association for Applied Linguistics 2026 (AAAL 2026). [Refereed]
- Miura, A., (March 2026). Tracking lexical acquisition trajectories using behavioral and neurophysiological measures. Paper presented at Japan Second Language Acquisition Forum (J-SLARF@Tohoku). [Invited]
- Hamada, I., **Miura, A.**, Tanifuji, M., & Sakai, H. (February 2026). *Title tentative*. Poster presented at Waseda linguistic science researcher exchange meeting.
- **Miura, A.** (February 2026). Mapping lexical learning trajectories: The role of input modality and conceptual representation. Poster presented at Waseda linguistic science researcher exchange meeting.

- **Miura, A.**, Tominaga, J., Park, J., Tanifuji, M., Inoue, T., Kubota, Y., Sakai, H. (September 2025). Neural signatures of spoken word production: Insight from low- and high-frequency ECoG activities. Paper presented at Neural codes seminar 2025 (ISBFC 2025). [Invited]
- **Miura, A.**, & Mori, H. (May 2025). Universal and/or existential: How L1-Japanese/L2-English learners interpret Free Choice *Any*. Poster presented at the 5th International Conference on Theoretical East-Asian Psycholinguistics (ICTEAP-5). [Refereed]
- Sato, T. & **Miura, A.** (March 2025). What are effective vocabulary activities? Analysis of learning activities. [効果的な語彙指導とは? -学習活動の分析と実践]. Workshop at the fifth Yokohama National University English Education conference.
- **Miura, A.**, Tominaga, J., Park, J., Tanifuji, M., Inoue, T., Kubota, Y., & Sakai, H. (January 2025). Cortical pathways toward spoken word production: An electrocorticography study using picture naming and word read-aloud tasks. Paper presented at the 10th Sakamoto Tsutomu Memorial Neuroscience workshop.
- Tominaga, J., **Miura, A.**, Nakajima, K., Patashov, D., Tanifuji, M., Tanaka, K., Tsukahara, A., Miyanaga, H., Tsunematsu, S., Inoue, T., Sakai, H. (January 2024). Context-dependent neural activities revealed by MEG responses to the blocked-cyclic picture-naming. Paper presented at the 10th Sakamoto Tsutomu Memorial Neuroscience workshop.
- Tominaga, J., **Miura, A.**, Nakajima, K., Patashov, D., Tanifuji, M., Tanaka, K., Tsukahara, A., Miyanaga, H., Tsunematsu, S., Inoue, T., Sakai, H. (October 2024). Spatiotemporal characteristics of semantic facilitation and interference: An MEG study using the cyclic picture-naming task. Poster presented at Society for the Neurobiology of Language 16th Annual Meeting (SNL 2024). [Refereed]
- **Miura, A.** (August 2024). To what extent does massive second language input affect children's second language and native language lexical processing? The 4th WU-HIT seminar. [Invited]
- Ojima, S., **Miura, A.**, & Shibata, N. (November 2023). How does extremely long exposure to English affect Japanese children's English speaking, academic Japanese, and brain activity? Paper presented at Tunghai International Conference on Second Language Teaching and Research 2023. [Refereed]
- **Miura, A.**, & Nagamine, T. (August 2023). Writing as your speaking practice tutor: Anatomizing the practice modality on L2 speaking training. Poster presented at the 56th British Association for Applied Linguistics (BAAL) at the University of York. York: UK. [Refereed]

- **Miura, A.** (June 2023). How fluent? Comparing international school student, “home English” learners, and university student. [どのくらい流暢に話せるのか？インター・『うち英語』・大学生を比較して]. Paper presented at the 166th Annual conference of the Linguistic Society of Japan at Senshu University. Tokyo: Japan. [Invited]
- **Miura, A.** (March 2023). Possibility of skill-transfer in language practice: Effect of written practice on speaking ability. [言語活動における技能転移の可能性：書く活動が話す能力に与える影響]. Paper presented at the third Yokohama National University English Education conference.
- **Miura, A.** (October 2022). Proficiency may not predict sensitivity to intervention effect in sluicing structure. Poster presented at Japan Second Language Association (JSLA) The 22nd Annual Convention at Chuo University. Tokyo: Japan. [Refereed]
- **Miura, A.** (May 2022). Sensitivity to silently structured intervener: From L2 learners’ sluicing interpretation. Poster presented at Generative Approaches to Second Language Acquisition (GASLA 16) at NTNU (The Norwegian University of Science and Technology). Trondheim, Norway [Refereed]
- Nagamine, T., & **Miura, A.** (April, 2022). Write to speak: Effects of timed writing practice on development of the L2 learners' oral performance. Poster presented at the 10th International Symposium on the Acquisition of Second Language Speech (New Sounds 2022) at University of Barcelona. Barcelona, Spain. [Refereed]
- **Miura, A.** (March 2022). Using synchronous computer-mediated communication in English classes. [synchronous computer-mediated communication を使用した英語授業]. Paper presented at the second Yokohama National University English Education conference.
- **Miura, A.** (2021, August). Adopting Synchronous Computer-Mediated Communication into Second Language Classrooms. Paper presented at International Conference on Education and Technology 2021 (ICETECH). Universitas PGRI Madiun, Indonesia. [Refereed]
- **Miura, A.** (2021, July). Can parser avoid building the structure with intervention effect? Active gap creation and intervention effect. Poster presented at the International Symposium on Bilingualism (ISB 13) at University of Warsaw, Warsaw: Poland. [Refereed]
- **Miura, A.** & Nagamine, T. (2021, June). Using synchronous computer-mediated communication to develop L2 learners’ oral fluency. Poster presented at the 12th Annual Pronunciation in Second Language Learning and Teaching conference (PSLLT 2021) at Brock University. Niagara Region, Canada. [Refereed]

- **Miura, A.,** (2019, June). The acquisition of control structure by Japanese learners: Focus on the intervention effect. Paper presented at the Japan Second Language Association (J-SLA) The 19th Annual Convention at Chuo University, Tokyo: Japan. [Refereed]

AWARD

2025 Japan Student Services Organization: Exemption from Return for Particularly Outstanding Achievement (Full exemption)

SCHOLARSHIP AND GRANTS

2025 Overseas Research Travel Grant Program for Upper-level Undergraduate and Graduate Students. Waseda University. (¥110,000)

2025 Scholarship for JSPS Research Fellowship for Young Scientists (DC). Waseda University. (¥600,000)

2025-2026 JSPS Grants-in-aid (¥1,600,000)

2024 Scholarship for Fostering Researchers in Doctoral Programs. Waseda University. (¥500,000)

2023 Overseas Research Travel Grant Program for Upper-level Undergraduate and Graduate Students. Waseda University. (¥110,000)

2023 Scholarship for Fostering Researchers in Doctoral Programs. Waseda University. (¥500,000)

SERVICE

Conference Review

- ICTEAP-5, Abstract Reviewer.
- CogSci 2025, Abstract Reviewer.
- CogSci 2026, Abstract Reviewer.

ACADEMIC MEMBERSHIP

- Member, J-SLA (The Japan Second Language Association)
- Member, AAAL (American Association for Applied Linguistics)
- Member, BAAL (British Association for Applied Linguistics)
- Member, TESOL International Association
- Member, KATE (Kantokoshinetsu Association of Teachers of English)

- Member, JSLs (The Japanese Society for Language Sciences)
